Awards

Shree Tech Solution · 2nd runner up in CTF (Capture the flag)

Feb. 2017

A CTF event organised in AMITY University in which one is supposed to capture the flags using some tricky question, I played it became the 2nd most highest flag collector.

Volunteering

PyDelhi · Volunteer

Current

Delhi

PyDelhi is a volunteer-based organization, a group of technically inclined students, professionals and teachers and entrepreneurs having a common primary interest in the Python programming language.

Pydelhi conference · Volunteer

Delhi NCR

PyDelhi conference is hosted annually by PyDelhi Community with an aim to promote Python programming language. We provide a single platform to users from different spheres such as students, global entrepreneurs, and professionals from startups and established firms to connect and share their ideas. Experts from various domains showcase their use of Python besides discussing the recent and upcoming trends in technology.

Pycon India 2016 · Volunteer

JNU

PyCon India, the premier conference in India on using and developing the Python programming language is conducted annually by the Python developer community. It attracts the best Python programmers from across the country and abroad.

Other Interests

I am a fan of Diljit Dosanjh songs. Also in free time I read about Indian Politics and Philosophy.
